General Business:

- Electronic Scoring System worked well at Tumbledowns. Decision to be made shortly following further investigation by Richard Apps.
- Day Licence fees have increased from \$60 to \$90 per person.
- Michael and Sonia attended a motocross meeting in Ipswich that utilizes an electronic scoring system. The systems was very functional and will be trialed at Tumbledowns on the 19 November. A costing package is being prepared for the Clubs consideration.
- An enquiry from a rider if the club would consider staggering their races at Bannaweera and Tumbledowns was put forward. Committee considered it was not an option due to the lack of support from participants, moving equipment from the two tracks, track

recovery times and winter temperatures at Tumbledowns with the number of younger participants.

- Raffle will be drawn at a Club event when all of the tickets have been sold and raffle to be advertised over the Christmas period.
- Ribbons to be counted and replacements ordered.
- Greg Frost to arrange the construction of a podium for presentations.
